

PROFILE

Highly motivated, enthusiastic and caring Professional Swimming Coach, Director and Manager, with 15 years experience in high level Swim Schools and High level Swimming Team in Italy, wants to pursue his career with an experience in Australia to improve his methodological knowledge.

Able to adapt to and succeed in different roles around a water environment, in recent years I have been focused mainly on swim management and swimming educational courses as head of the [G.A.M. Team](#) Swimming School of [Giorgio Lamberti](#).

In order to start my Australian work experience I will have to entry into Australia on an Employer Sponsored Visa as a skilled Swimming Coach. For this reason I am looking for employers interested in sponsoring me and starting a new and fruitful working relationship and I can offer my work performance every day without any time limitations.

I'm currently in possess of an ASCTA International Bronze Coaching license with ID 45910.

Strengths include:

- Deep knowledge of policies, rules and regulations governing the use of pool facilities.
- Thorough knowledge of methods and techniques of instructing swimming lessons.
- Strong ability to recognize emergency and dangerous situations and react quickly and calmly.
- Excellent ability to establish and maintain effective working and empathic relationships with adults and children.
- Strong ability to teach swimming strokes and skills to participants of all ages and capacity.
- Experienced in working with timid and confident students, people with disabilities and injuries even through rehabilitation paths.
